

## **Celebration of Public Mass**

**Starting from Sunday 5<sup>th</sup> July** there will be a daily public Mass celebrated at St Mary's Cathedral.

The Mass will be at 12 midday and the rota for the week will be:

Sunday 12 midday  
Monday 12 midday  
Tuesday 7pm  
Wednesday 7pm  
Thursday 7pm  
Friday 12 midday  
Saturday 12 midday

**You will need to book a place for Mass as we are limited to 100 places and to do this you can telephone FRIDAY ONLY 9AM – 12 MIDDAY 01642 597750.**

You will need to wear a face covering at Mass and due to the test and trace system we will require your name and contact details for this purpose only.

It is important to remember that the obligation to come to Mass is still suspended and we will also continue to live stream our 10am Mass every day.

Also this coming Friday and Saturday during Private Prayer between 12 midday and 2 pm there will be a Priest available to hear confessions, again this will be in accordance with social distancing requirements and will be anonymous.

At this moment in time, I will only be opening St Mary's Cathedral for public Mass each day. St Clare's and St Francis will remain closed .

Finally, it is important to know that we are not back to normal, we are trying to work within all the guidelines to help people with their faith and spiritual well being.

Many Thanks

Mgr Gerard Robinson.  
Parish Priest.
